

Thanks for taking a moment to see what's happening with Apex Ministries...

- Plans are being made to put a team together to go to Jamaica in early May. This trip will be focused on continuing the building project we started last year, but we would also like to take as many laptop as possible to distribute to teachers in the area. Do you have a good condition, used laptop you are thinking about replacing? If so, we will take your old one. Just drop it off at any one of our Thrive locations and tell them it is for Apex Ministries.

We have been asked to help the schools in Jamaica. They have so little and need so much. One of the ways we are helping them is by introducing our students here in the US to students in Jamaica. We are confident, once our students see the need, they will respond and begin their own fundraising efforts. We are scheduling school assemblies. If you would like us to visit your child's school, give us a call and we will make contact.

- We have also been asked to help set up a computer lab that will be open for use by the local community. This will be a great asset, providing Internet access to folks who might not otherwise have it and also help rural community members gain, much needed computer skills training. A site has been identified in the basement of a church and a team is being formed and the necessary computers, hardware and software are being collected so that a trip can be made in June.
- Would you like to know more and learn how you can make a donation toward any of these three projects? Contact me, Buzz Dahlen at **360-631-4597** or go to our website: www.apexministries.org
- **Apex/Run To Win night at the Stealth** Looking for a fun, family or group night out? Apex Ministries is teaming up with RTW and the Washington Stealth, our new professional indoor Lacrosse team, playing in the Comcast Arena in Everett. On April 17th you can enjoy a fast paced, indoor Lacrosse game at discount prices. Following the game there will be a Celebration of Joy, that will include prize giveaways, interviews with Stealth players and more. This will be a great chance to get out on a Saturday evening and have a wonderful time. Discounted ticket prices are \$22.00 and \$12.00. Order your tickets today.
- Last but not least, we want to offer you the opportunity to support the daily work of Apex Ministries. The simple and pain free way to do this is to **"add a buck"** to your monthly dues. Ask any of our management staff how to get this started.
